Family involvement increases student success. Good communication is vital to that involvement. PTSA is dedicated to improving communication between school and family. By giving PTSA your email address, you are giving permission to be entered into a PTSA email group. We commit to send school announcements we receive, so that PTSA Members can be more aware of upcoming events.

OUR GOAL is 100% PARTICIPATION
We desire for every student and staff member to have representation in Brew Tech PTSA.

All financial contributions are tax deductible. Donations are always welcome. Please enclose in an envelope and place in the PTSA box in the school office. Checks should be made payable to: "Brew Tech PTSA".

As a PTSA Board, we have decided to host four events during the school year. Each of these events will include a short PTSA business meeting. PTSA financial records are public information. A report will be provided at each meeting and additional details can be requested at any time. Approved minutes and reports will be posted on <http://www.brewtech.mps-al.org/> under the PTSA tab.

Open House, Tuesday, August 30, 2016, 6:00-7:30pm.

This meeting will begin in the gym for information concerning PTSA, Principal's Address, school sports, activities, and clubs. Afterwards, the school bell will ring and parents will have the opportunity to follow their student's schedule. This is a great time to meet teachers, obtain contact information, and understand academic expectations. Purchases and fee payments may be possible, so come prepared.

College Prep Night, Tuesday, November 15, 2016, 6:00-7:30pm, GYM.

Post-secondary options will be invited to set up a table for parents/students to visit. Colleges primarily visit during school hours, but this provides additional opportunity. After our PTSA meeting, we will have a college admissions professional speak to parents/students. They will help us better understand how to maximize the opportunities Brew Tech has to offer, so that our students are ready for the college admissions and financial aid processes. The intent of this session is to ultimately allow the student and his or her parents to better determine what type of institution will be the best "fit". This topic will benefit parents/students of every high school grade.

Academy Showcase, Tuesday, January 24, 2017, 6:00-7:30pm.

Each Academy will be encouraged to display a sampling of their work near their classroom, so that families can come admire their student's progress after a PTSA meeting in the gym. This will also create opportunity for potential families and business partners to come see the excellent education occurring at Brewbaker Technology Magnet. Please invite friends and family to mark this date on their calendar too.

Awards Night, Tuesday, April 25, 2017, 6:00-7:30pm, GYM.

After our PTSA meeting, we will celebrate the achievements of our students and faculty during the 2016-2017 school year. This will be a night of recognition and awards to encourage continued success of Brew Tech. Another opportunity to invite friends and family to come on campus and see why Brew Tech is among the top High Schools in Alabama!

In addition to these events, PTSA is extremely active at Brew Tech. There are many ways for you to volunteer and get involved. Please email deenaweston@knology.net to get more information, but here is a list of committees you could join:

FREEmoney, Business Partners, Open House, College Night, Showcase, Awards Night, Award Applications, Reflections, Communication, Ram Wear, Teacher Appreciation, Staff Christmas Party, Staff Birthday Celebrations, Professional Development Lunches, Fundraising, Montgomery County Council PTA, and Alabama PTA.

Brew Tech PTSA is a 501c3. All donations made to PTSA are tax-deductible and eligible for a letter that can be filed with your taxes. Please ask about this opportunity.
